

Chamber Website Advertising Program

Connect with your Customer through the Chamber

Advertise on the Chamber website

- Chamber members and the community look for business information on the Chamber website: www.tricitieschamber.com
- Banner ads are displayed prominently on the website
- Our website's search engine optimization and Google ranking will connect you better
- Associate your brand name with the respected and proactive business organization

Feature Listing Banner Ad Placement

Drive visitors to your website and strategically build brand awareness by being seen on www.tricitieschamber.com. Thousands of people view our website monthly and you could be front and centre!

Banner ads sit below the Chamber event calendar, one of the most popular features of our website, where Chamber member and the community look for information on upcoming events. Banner ads are also available on other pages; please contact the Chamber for opportunities.

The Feature Member Online (Free)

Be featured on our website! As the Feature Member you receive this section on the Chamber website dedicated entirely to describing the goods or services you offer, your business philosophy and why you joined the Chamber of Commerce. This service is offered on a first-come-first-serve basis for new members within three months of joining. Drive traffic to your website through click-through logo placement and increase your company's visibility.
